AEUF can help you with accommodation and meals. We are currently looking for sponsors, so we can keep the cost as low as possible.

The organizers (www.ociodenia.com) are offering to all the teams a Hotel with very special conditions just 300 metres from the arena and same distance to the beach. They are also preparing extra off-court activities. The city has a well developed leisure offer and very good transport facilities, the well known Mediterranean Motorway links Denia with Valencia and Alicante and, hence, with the rest of the Mediterranean coast. Terra Mítica in Benidorm, (the only theme park in Europe) or The City of the Arts and Sciences in Valencia are just two of the possibilities nearby.

Please note that every participant is taking part in the tournament on his own risk and is not generally insured by the organisation. Therefore, general travel/sport insurance is recommended.
